

ENACTUS: PUT YOUR SKILLS INTO ACTION

Real projects.
New connections.
A team to grow with.

Enactus
Students Engagement

WHAT IS ENACTUS?

A **global network** of students, academics and business leaders.
Student teams develop **entrepreneurial projects** with a social or environmental purpose.

1,626 TEAM PROJECTS
1,064 CAMPUS PROGRAMS
42,450 STUDENTS ANNUALLY

A GLOBAL NETWORK CONNECTING UNIVERSITIES AND BUSINESSES

Every year, university teams across **countries** turn **real needs** into **entrepreneurial** projects that create social, environmental and economic **value**.

WHAT DOES AN **ENACTUS** STUDENT **PROJECT** LOOK LIKE?

SHEA MATTERS

Cooperating with female entrepreneurs in Ghana to develop a local shea butter process that aims to bring value back to the local communities.

PURIFAS

Developing a sensor and software to make PFAS (toxic chemicals) detection in water more accessible.

NONNIFI

Organising community activities to support older people's digital skills and social connections.

HOW DOES A PROJECT START?

Explore a real **social** or **environmental** challenge. Talk to the people affected and understand their needs. Work with your team to develop possible solutions.

FAQS

WHO IS ELIGIBLE?

Do I need a specific degree or previous experience?

No. Students from different disciplines are welcome: multidisciplinary teams are encouraged! Motivation, curiosity and commitment matter the most.

Who is eligible?

Students at universities and ITS in the Enactus Italy network.

What language is used?

Training and competition activities are held in English.

HOW MUCH TIME DOES IT TAKE?

How long does it last?

The programme runs alongside the academic year, from October/November to May.

What commitment should I expect?

Plan to attend training sessions, join agreed team meetings and cooperate on project tasks.

Can I fit it around my studies?

Yes. Plan responsibilities with your team and stay consistent. Your contribution makes a difference.
